OPERATION GUIDE 1. CHARGE

Fully charge device before first use. Please use the provided USB-C cable to charge your device.

A charging icon will appear on the display to indicate that it is being charged. When the device is fully charged, the charging icon will always be on.

2. LOAD

How to use the oven:

Remove the magnetic mouthpiece lid and choose which botanical substance is best for you. Due to the oven's delicate technology,

please be gentle when packing the oven and/or inserting the oven cup and / or cleaning.

Botanical flower:

Loosely pack the ground substance in the oven chamber, do not let the substance beyond the top of the oven chamber.

Botanical Concentrate:

Insert the concentrate/wax cup into the oven chamber, use the dab/scraping tool to load the desire substance into the cup.

(3)

Power ON/Off

Botanical Concentrate:

Insert the concentrate/wax cup into the oven chamber, use the dab/scraping tool to load the desired substance into the cup.

4. ENJOY XVAPE FOG PRO

While heating, the OLED display temperature will go up. The device vibration indicates readiness and the timer countdown starts. Inhale through the mouthpiece and enjoy. This device will automatically begin vaping.

TEMPERATURE SETTINGS

All removable parts can be disassembled for optimal cleaning.

Mouthpiece & filter

Gently pull the mouthpiece to remove it. It can be cleaned with soap and water

CLEANING AND MAINTENANCE

To keep the XVAPE FOG PRO working optimally and maintaining the purest taste, we recommend that all parts which come in contact with material or vapor be cleaned regularly.

All removable parts can be disassembled for optimal cleaning.

Mouthpiece & filter

Gently pull the mouthpiece to remove it. It can be cleaned with soap and water

For deep clean, immerse all pieces in isopropyl alcohol except metal part, rinse thoroughly with clean water and dry before reassembling.

Stainless steel oval cleaning: use brush to sweep inside and cotton swab dipped in isopropyl alcohol.

* Tip: Perform a burnoff cycle at max temp for 2 minutes after cleaning.

After using the XVAPE FOR PRO or charging, please allow the device to cool down before storage. It should be stored in a clean, dry place protected against the effects of weather and out of the reach of children and pets. If you have any concerns or if there is any problem, please switch off XVAPE FOG PRO and/or remove it from the charger immediately. Do not try to remedy any defect yourself. Contact customer service directly at support@xvapeusa.com

SAFETY

Prior to your first use, please read and fully understand the instructions including the safety information. We recommend that these instructions be kept for future reference.

Failure to follow warnings may result in a safety hazard including electric shock, fire, property damage, bodily injury or death.

AGE

You must be of legal age in your jurisdiction to purchase or use the XVAPE FOG PRO. For adult use only.

USE

Never use the product before reviewing the manual in its entirety. If any section or topic is unclear prior to use, please contact customer service for clarification.

This product should not be used by children, women who are pregnant or breast feeding, or those with life threatening illnesses without first consulting a doctor. It is recommended that all users consult a doctor prior to use with your chosen herb or fire or high temperature above 60°C or 140°F. It is your responsibility to understand the dangers as well as the proper procedures for handling all batteries. Do not dispose of in trash containers nor litter the environment. Please recycle or dispose according to local safety regulations law. (Suggested to cover terminals with proper insulating tape before disposal.)
